Dear Ms. Edwards and Ms. Heil,

Attached please find the updated Alternate Test Method Approval letter, Alt-140 which supersedes the approval letter we sent on February 24th of this year. We will be posting this approval letter on our Alternate Test Methods website this afternoon, and this letter includes a link to the updated NYSEDA/NESCAUM fueling calculator.

Please let us know if you have any questions about the use of this Alternate Test Method.

Thank you very much,

Stef Johnson
